Re: Federal Election Commission Complaint MUR 4830

Dear Ms. Smith:

I hereby enclose a copy of my response to inclusion of my name in the above-referenced Complaint in the form of a letter to the Complainant Chairman of The Republican Party of New Mexico. While I realize the Udall Campaign is in the process of preparing its own response on behalf of itself as well as individual named contributors such as myself, I would appreciate it if you would also consider the substance of my response as set forth in the enclosed letter.

Please be advised that, while I am willing to provide an affidavit and/or documentation upon request, I believe such additional information may be unnecessary in light of the straightforward nature of my contributions to the Udall campaign.

Please do not hesitate to contact me should you have any questions or need additional information.

Sincerely,

Daniel F. Haft
